PTA Meeting August 23rd 6pm

Marbut Parent University What is Marbut Parent University?

Parent University is an opportunity for parents to sharpen their skills as they work on one of life's most important and demanding roles, parenting. The program provides parents and caregivers with information about their vital responsibility in shaping academic growth in their children. The Parent University sessions focus on child development, what children are learning in schools, advocacy, parent leadership and effective parenting skills.

How can you assist with increasing academic achievement? Make & Take August 26, 2016 8am to 1pm

Math and Reading Make & Take is a unique opportunity for parents to come to the Parent Center and make instructional math and reading games to reinforce skills students are learning in class. Supplies and examples are provided to personalize games to take home for fun practice. We encourage all parents to participate. **Earn MPU hours!**
